

SUMMER ENRICHMENT Scholarship Guidelines & Application

For students currently enrolled in Grades 5 – 11

And who have been identified as Gifted

(as defined by the Ohio Department of Education)

2025

SOUTH CENTRAL OHIO ESC

**ESC Applications due March 7, 2025
(OAGC Applications due February 15, 2025)**

Dear Students, Parents, Teachers, and School Administrators,

To ensure fairness and consistency in awarding ESC Summer Enrichment Scholarships, we have established the following guidelines. Please read this information carefully before completing the application.

Eligibility:

This scholarship is for students currently enrolled in grades 5–11 who are identified as gifted, as defined by the Ohio Department of Education. We do not offer our own summer programs, but assist with tuition for established programs designed for gifted students. We fund academic or fine arts-oriented programs but do not fund sports camps, church camps, or school travel programs.

Funding Limits:

The scholarship amount will vary based on available funding and the number of applicants. Currently, the maximum awards are:

- \$500 for elementary students (grades 5–6)
- \$1,000 for junior high students (grades 7–8)
- \$1,500 for high school students

You may request the full amount needed, and if additional funds are available, we may consider a higher award.

OAGC Scholarship Requirement:

All applicants must also apply for the OAGC Scholarship Award. The OAGC District Contact must nominate the student, but classroom teachers or community members may write letters of recommendation. Please refer to the OAGC application instructions at the end of this letter.

ESC Application Requirements:

To be eligible for the ESC Scholarship, students must:

1. Be identified as gifted (per Ohio Department of Education guidelines)
2. Be nominated by a teacher, guidance counselor, or principal
3. Submit the following documents by the due date:
 - Nomination Form
 - Parent Release Form
 - Student Application Form

Additionally, students must submit:

- A copy of their OAGC application
- A brochure or web address for the summer program they wish to attend
- A typed and signed thank-you note for the sponsors

Notification of Other Funding:

It is the parent's responsibility to notify Sharee Price at the Gifted Services Office of any other funding sources immediately upon notification. If additional funding is received after our decision has been made, contact us immediately to adjust the scholarship amount. Failure to notify us of other funding will result in disqualification from future scholarships.

Failure to Attend the Program:

If a student fails to attend the program after receiving a scholarship, they will not be eligible for future ESC funding, unless extenuating circumstances apply. In such cases, the student or parent must submit a written explanation to the Gifted Services Office within two weeks of the program's start date.

Payment Process:

The ESC will pay the summer program directly. Parents must provide the address for the payment and an invoice from the program. If a parent needs to pay a registration fee before receiving the scholarship, reimbursement may be possible, provided the appropriate paperwork is submitted.

How to Apply for the ESC Summer Enrichment Scholarships:

1. **Research Programs:**

Before applying, research available summer programs and decide which one you plan to attend. A list of recommended programs can be found on our website at <https://www.scoesc.org/summer-enrichment>. Be sure to print a brochure or gather program details to include with your application. Many programs for 2025 will not post information until January 2025, so plan accordingly.

2. **Commit to Attending:**

Please do not apply unless you are certain you will attend the program. Awarding funds to applicants who later decide not to attend may prevent other students from participating.

OAGC Scholarship Application:

To apply for the ESC Scholarship, students must also apply for the OAGC Scholarship. **Do NOT send a copy of your ESC application to OAGC.**

1. Complete the OAGC Scholarship Application (available on our website or at www.oagc.com).
2. Ask the gifted contact at your district to complete the Nominator Form.
3. Request two letters of recommendation.
4. Write your essay carefully, as it will be reviewed by a statewide committee.
5. Make two copies of your completed application (one for your records and one for your ESC application).
6. Submit your OAGC application by the deadline of **February 15, 2025**.

The OAGC will issue scholarship checks directly to the program or university you're planning to attend, but will send the check to your home address. It is your responsibility to send the check to your chosen program.

ESC Scholarship Application:

1. Follow the guidelines in this packet and ensure all required items are submitted no later than **March 7, 2025, at 3:00 PM. Late applications will not be considered and early applications are appreciated.**
2. Submit your application by mail, email, or fax. If faxing, please call to confirm receipt.
3. The ESC will notify applicants by the end of April regarding scholarship awards.
4. If awarded, submit an invoice from the summer program so the ESC can process payment. If you must pay in advance, you may be reimbursed with proper documentation.

Scholarship Awards Reception:

Students receiving ESC scholarships should plan to attend the **Scholarship Awards Reception** at Morris University Center, Shawnee State University on **Thursday, May 8, 2025, at 4:00 PM**. This event is a chance to meet and thank the sponsors who make these scholarships possible. The reception will last approximately one hour.

Writing your Thank You note:

It's very important that each student include a Thank You note for their summer enrichment opportunity so the sponsors of the scholarship program can be properly thanked. We're collecting these to ensure each of our sponsors can receive a "packet" of all of the students' notes.

Thank you notes should be typed in the space below OR typed on 8 ½" x 11" copy paper and scanned or saved for submission. Please be sure to sign your letter with a handwritten signature!

Since we do not yet know who all the sponsors will be...

please begin each letter with **"Dear Sponsor:"**

Consider the following when writing your Thank You note:

- ✓ Write the letter in a polite and grateful manner – it doesn't need to be long, just sincere
- ✓ Tell a little about what this opportunity means to you
- ✓ Let the sponsor know how appreciative you are to receive a scholarship
- ✓ Give the sponsor a little bit of information about your chosen summer program and how it relates to your own personal interests
- ✓ Close the letter with gratefulness
- ✓ Be sure to "sign" your letter with your handwritten signature

Dear Sponsor,
